ADAG INC. Is an 007 Publication,

The Christmas Card on the left is one  
that I have been recopying for the  
last seven years, it is from the  
National Council for the Blind of  
Ireland, Limerick Branch, it expresses  
the feelings that Myself and my  
Family..Bruce, Cynthia and Shawn give  
out to all of you.

I will most likely be away over the  
Christmas Holidays-so I am going to  
set a long deadline to get all of (thru-  
you the Holidays, thereafter we will  
revert to a three weeks deadline  
so be well warned.

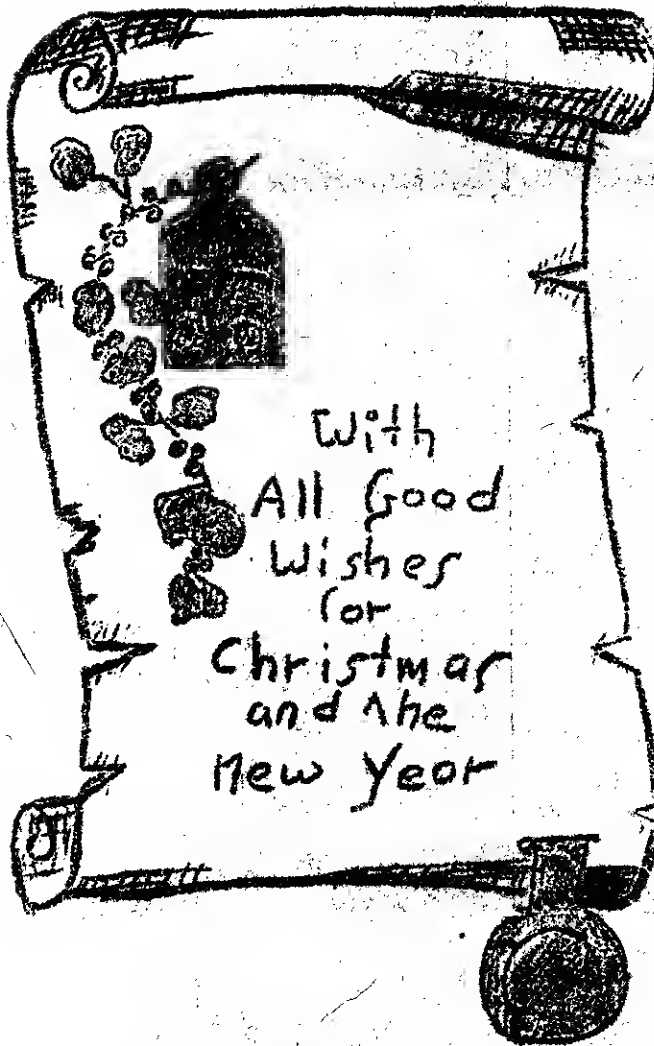

The next deadline for all games is  
Saturday January 14, 1978 (14)

NEW GAMES:

I may be opening some new games in  
January, depending on how many of the  
present games that are almost ending  
end in wins or draws..so if you would  
like to participate send in the  
listing for what country you would  
like to play.

RE-ALIGNMENT

Except for my golf ups with a couple  
of players the alignment is working  
real good, I am able to type out the  
games much faster that I have in the  
past..I still have th problem of  
last minute moves 19 on Friday and  
Saturday with the last issue\*IF you  
could be a little faster I would  
appreciate it..We are starting to go  
back to the crazy hours again and she  
that means my ambitions will be a lot  
lower 12 hours is a long day especial  
when it starts at 3 AM.
